GUYS & DOLLS

Thursday May 30th matinee at London's Bridge Theatre,
optionally followed by a meal out in London

Experience a musical 'in the round'!

After premiering on Broadway in 1950, Guys & Dolls has established its reputation as one of the leading musical romantic comedies of all time. Rolling straight onto the stage of London's The Bridge, Guys & Dolls welcomes you to the streets of Manhattan, the bars of Havana and even the sewers of New York! With extremely unlikely pairings and equally improbable love stories, step into this world of dodgy casinos and downtown crime.

Prepare to rock out to all of the Broadway classics such as 'Luck Be a Lady', 'Sit Down You Are Rocking The Boat', 'Adelaide's Lament', 'Guys & Dolls' and more! Several of you have expressed an interest in going to a show in London, this is your chance.

Tickets will cost £71 each (including coach travel, but excluding meal cost), and we will need to purchase them **by 15th March**.

Book at reception as for other Theatre Together events. Further details from
